**WARCO Premium Conventional SAE-40 Motor Oil** is a general purpose mono-grade lubricant suitable for use in older model gasoline and naturally aspirated diesel passenger car, van, sport utility vehicle, and light to medium commercial vehicle engines that do not require high-performance motor oils. It helps minimize sludge and varnish formation and provides anti-wear and corrosion protection even under the toughest driving conditions.

**WARCO Premium Conventional SAE-40 Motor Oil** meets or exceeds SG classification and is comparable to many American, Asian and European manufacturers' standards where a high quality SG motor oil is recommended.

### Benefits and Applications

- Mono-grade oil for gasoline and diesel engines
- Designed for particular cars and/or utility vehicles before the year 1993 with a high mileage
- Meets or exceeds SG and all prior service classifications
- Miscible with other lubricants
- Effective corrosion inhibitors help protect against rust and corrosion
- Helps reduce sludge and other damaging deposits
